### Upcoming Events & Deadlines

- **15 June**: UQ Strategic Teaching & Learning Grants to Head of School
- **20 June**: UQPDRF applications due to Head of School
- **30 August**: Summer research scholarship applications due to School Office.

### Summer Research Scholarships

UQ's Summer Research Scholarship program will continue in 2011/2012. The aim of the program is to increase interest in honours and RHD programs.

Scholarships are
- offered for up to 10 weeks from mid-November to mid-February
- open to domestic and international students (undergraduate years 2-4, postgraduate coursework)

Stipends are $300 per week (maximum of $3k per student) and are co-funded by central administration and the research group.

Projects will be listed on the Faculty's website; staff interested in participating should email their project topic/s to Kim Lamb (k.lamb@uq.edu.au) as soon as possible and before 11 July. Refer to Kim’s email of 25 May for the template. Students’ applications are due to the School Office by 5 pm on 30 August. Late and unsuccessful applications may be fully funded by the research group.

### Discrimination and harassment training for line managers

Sexual harassment policies and grievance management procedures now require staff with supervisory/line management responsibilities to effectively manage discrimination and harassment matters, including sexual harassment. The Equity Office will provide an overview of relevant UQ policies and procedures and discuss strategies to assist in prevention and management of these issues:

- Friday, June 17, noon-1.30 pm, eZone (training room), Dorothy Hill Engineering and Sciences Library, Hawken Engineering building (building no. 50)
- Friday, August 5, noon-1.30 pm, eZone (training room), Dorothy Hill Engineering and Sciences Library, Hawken Engineering building (building no. 50)
- Friday, October 28, noon-1.30 pm, eZone (training room), Dorothy Hill Engineering and Sciences Library, Hawken Engineering building (building no. 50)

BYO lunch - tea, coffee and orange juice will be provided afterwards. For registration and catering purposes, please RSVP.

### Early Career Academic - Survey

The aging academic workforce - Early Career Academics (ECA) are the next generation but are we prepared, ready, able and willing to take on the challenges of 21st century academia? A cross institutional research team of ECA are investigating the experiences of those aspiring to academic roles. If you are a postgraduate student, casual academic or professional staff within five years of PhD completion - we would like to hear from you. Please take 15 minutes to complete our survey online now at [http://www.surveymonkey.com/s/CBJHP5L](http://www.surveymonkey.com/s/CBJHP5L).
Library News May 2011

NEW SUBSCRIPTION FOR 2011:

The OnePetro resource is now available at UQ Library. OnePetro provides full-text access to a wide range of technical literature related to the oil and gas exploration and production industry. The Society of Petroleum Engineers (SPE) operates OnePetro on behalf of the participating organizations.

RESOURCE OF THE MONTH:

IEEE Xplore Digital Library is our library resource of the month. It provides access to IEEE Xplore conference proceedings -- IEEE Xplore ejournals -- IEEE-Wiley ebooks library, with amazing full text coverage in ALL areas of engineering since 1988, including mechanical, mining and materials engineering. Current IEEE standards are also accessible via this database.

SOME NEW BOOKS:

- Dynamic testing of ground control systems / results of research carried out as MERIWA Project M349A at the WA School of Mines, Curtin University of Technology / E. Villaescusa ... [et al.].
- Technical notes / Welding Technology Institute of Australia.
- Thermal sciences: an introduction to thermodynamics, fluid mechanics, and heat transfer / Merle C. Potter, Elaine P. Scott.
- The joint NASA/Geosat Test Case Project.
- World energy outlook 2010.

For all recent titles please check What's New to UQ Library Collections. Select Technology (By Subject) or D.H. Engineering & Sciences (By Location).

Let me know if you would like me to purchase any specific titles to help you with your research.

TRAINING:

An EndNote workshop will be held in the Dorothy Hill Engineering and Sciences Library (Bldg 50) on:

Wednesday June 22, 2011, 1:30 pm to 3:30 pm

The workshop will cover:
1. Setting up an EndNote library and importing references from databases e.g. Web of Science.
2. Working with EndNote and Word to write papers and create bibliographies.

Workshop bookings can be made online.

RESEARCH ASSISTANCE:

Do you need any information research assistance?

If you have any specific questions on finding information, managing information, citation analysis or publishing please let me know.

Cristina Ghiculescu
Research Information Service Librarian

Scopus Young Researcher of the Year Award

Elsevier Australia and New Zealand and the Australasian Research Management Society (ARMS) are proud to bring you the Scopus Young Researcher of the Year Awards, which are now open for nominations and applications. The purpose of the award is recognising early career rising talent, research excellence in the following research award categories: Humanities and Social Sciences, Physical Sciences, Engineering and Technology, Life Sciences and Biological Sciences, Medicine and Medical Sciences.

To nominate a young researcher or to find out more information, please visit: http://asia.elsevier.com/YSRA2011

Application closes: Thursday, 30th June 2011, 12 Midnight, Australian Eastern Daylight Savings Time. The awards will be presented on Friday the 16th of September at the 2011 ARMS Conference in Sydney. Further information on the conference can be found here: http://www.iceaustralia.com/arms2011/

RACI Seminar: X-ray Fluorescence Microscopy

The Royal Australian Chemical Institute and Qld Analytical & Environmental Group are holding a seminar on “X-ray Fluorescence Microscopy: a versatile tool for mapping trace element distributions”. The presenter is Dr Martin de Jonge (Australian Synchroton, Clayton, VIC). The event is free. Registration is required – http://www.raci.org.au/events

Date: Thursday 2 June
Time: 2:00 – 3:00 pm
Venue: QHFSS Conference Theatre, 39 Kessles Road, Coopers Plains

Fulbright Postgraduate Scholarship in Science and Engineering

Applications are now open for the 2012 Fulbright Postgraduate Scholarship in Science and Engineering sponsored by the BHP Billiton. Valued at up to USD40,000, this Scholarship supports 8-12 months of research in the United States. The Scholarship may be started anytime between 1 July 2012 and 30 June 2013.

The Scholarship is open to Australian citizens to undertake postgraduate research or study in Science and Engineering in the United States towards an Australian higher degree, or enrolment in an American higher degree. Applications are invited from postgraduates and graduates who have an interest and commitment to a career in Science (non-medical) and Engineering.

Current Australian Postgraduate Scholarship holders are encouraged to apply as guidelines have recently been changed to support international research experiences related to Australian postgraduate studies through awards, such as Fulbright. Applicants from every state and the Northern Territory are also encouraged to consider the state/territory specific Fulbright Scholarships that have now been established.

For further information and application forms see www.fulbright.com.au Applications close 31 August 2011.
